MEMORANDUM FOR THE RECORD

SUBJECT: Appointment with Chairman John Stennis (Senate Appropriations)
and Senator Milton Young re Budget Reclama

STAT

1. This date I called Mildred Ward, secretary to Senator John Stennis (D., Miss.), and requested an appointment for the Director, [REDACTED] and Fred Hitz to meet with the Senator on Thursday or Friday of this week to discuss the budget reclama. I told Ms. Ward that we were going to try to get Senator Milton Young (R., N.Dak.) at the same meeting. Ms. Ward said that 3:30 p.m. on Thursday, 21 September, should be a good time. We set that time with the understanding that if anything comes up and she has to change it she will call me. I told her I would let her know about Senator Young.

2. I called Lou Christopher, in Senator Young's office, and asked her about the meeting. She said the Senator is catching a plane at 4:30 that day and would not be returning until late afternoon on the 22nd. I said I would get back in touch with her.

STAT 3. After checking with [REDACTED] OLC, I called Lou Christopher back and asked her if she would advise the Senator that the Director, STAT [REDACTED] and Mr. Hitz would be meeting with Senator Stennis on Thursday and that Senator Stennis could fill Senator Young in. If Senator Young has any problem with any of it or has any questions, I asked her to tell him that the Director would be very happy to meet with him early next week. She said she thought this would be perfectly fine with the Senator and she would be sure to pass this on to him.

4. I called Ms. Ward back and advised her that Senator Young would not be present at the Thursday meeting and that the Director will work out with Senator Stennis who will fill in Senator Young.
